

## INDERDEEP JASWAL

78-35 269 Street, New Hyde Park, NY 11040 | 347-956-0413 | inderdeepjaswal@gmail.com

### EDUCATION

Bachelor of Science in Computer Science  
*Stony Brook University*

May 2019

- University Scholars Program, Dean's List, Presidential Scholarship Recipient
- 3.95 GPA

### EXPERIENCE

#### Technology Intern

Jun. 2017 – Aug. 2017

*Soft System Solution*

- Created multiple webpages by using HTML, CSS and a Bootstrap framework intended for clients to use as backend user interfaces for managing their websites and apps
- Used Kanban agile framework to design and write the content for restaurant websites to help attract a larger customer base and increase orders through an online ordering platform
- Created automated test suites using Selenium IDE to check if customer websites were functioning properly

#### Assistant Store Manager

May 2016 – Aug. 2016

*Lakeside Market*

- Installed Cash Register Express POS Software, troubleshoot any issues, and connected appropriate hardware to make the system perform correctly
- Managed stock and was responsible for ordering new products requested by customers and reordering items that were running low in stock

### VOLUNTEER WORK

#### GOVAC Youth Squad

Mar. 2013 – Feb. 2015

*Glen Oaks Volunteer Ambulance Corps*

- Helped administer first aid and emergency medical care at community events

#### Biology Lab Intern

Jul. 2013 – Aug. 2013

*Hofstra University*

- Used imaging software, ImageJ, to take images of brain slides through a microscope and to calculate the surface area of the brain sections

### SKILLS

- Java, HTML, CSS, MIPS
- Git, Agile/Kanban

### HONORS & AWARDS
